D.I.Y

Our D.I.Y styling is a great option and here is how it works...

Initial enquiry regarding items - we will discuss with you what's available and the price for collection (most items are available for D.I.Y just a select few arches are not)

Items are collected on your agreed collection date (1-2 days prior to the event) and photo ID required

We will talk through set up with you and where necessary give you a demo and written instructions

Items delivered back to us on agreed date (1-2 days post event)

Hire Services

Our hire service is also a really popular option for mostly DIY brides who just need a few key pieces or couples who already have décor included in their venue but need a few add ons. Its a simplified styling service and here is how it works...

For individual pieces just enquire about the item along with the date and postcode
Items are then booked in and you will complete a booking form with all the details we need to know

A stylist will drop your items off the morning of and in your requested location
The items will be collected the next day

Full Styling Services

Our full styling service is our most popular service and here is how it works...

Initial enquiry and show round booked
30 minute initial styling appointment to discuss needs, colour pallet and budget - items are available to view and we can do a mock up table if required

Bespoke quote sent and a booking form for you to complete

6 weeks prior we arrange a face to face or zoom meeting to discuss final arrangements and confirming your head stylist for the day

Styling team will be on site on the morning of

Clear away the next day

If requested a full styling session can be booked to do a mock up -this is charged on an hourly rate
